The mainline railway stations are located in Castle Cary, Yeovil and Taunton. The A303 is approximately 4.5 miles and links London with the South West. The M5 motorway can be joined at junction 23 which is approximately 19 miles.

Outside

To the front of the property there is a railing fence and a gate that leads to the front courtyard while to the rear there is a private and enclosed south facing courtyard benefiting from a pedestrian gate leading to Pestors Lane.

As you continue through the property, you will find a selection of built in storage cupboards, and access to the light and airy bedroom two which overlooks the courtyard and is serviced by the large shower room with basin, toilet and walk in shower. Completing the ground floor accommodation is the study, which could be used as a further reception room, or bedroom. From here the courtyard garden can be accessed.

Stone steps rise to the first floor providing access to bedroom three, which is a large double. Adjoining is the primary bedroom which benefits from built in wardrobes and access to the mezzanine sitting room.
