Welcome to Villa and Estate Los Espetones, a once-luxurious Villa and Finca embraced by the enchanting landscape, where sophistication, comfort, and tranquility harmoniously unite. This exceptional property, while requiring modern updates, preserves its extraordinary grounds and layout that are truly unparalleled. Discover the heart of the home in the living-dining room, radiating a cozy ambiance with a fireplace, crafting a warm and inviting atmosphere. Connected to this space is a conservatory and an arched covered patio. The bottom floor conceals a secret library, a living room adorned with a grand fireplace, three bedrooms, a kitchen, and a utility room. Ascend to the second floor, where a Jack and Jill bathroom services seven bedrooms, accessed via a central split staircase.
