Description

Completely renovated and beautifully presented end of terrace town house, looking out over Wearyall Hill in the West. From the roof, plumbing and wiring, continuing on to the creation of a wonderful kitchen/family room, leading off the principle reception rooms, tri-fold doors take you onto a south facing patio and garden. Complimenting the four generous bedrooms on the first floor are an en-suite, and an exquisitely appointed family bathroom. Off road parking is also available at the front for several vehicles.

From the entrance vestibule, a herring bone patterned wooden floor has been laid, which continues into the drawing room on your right. Stairs also rise to the first floor landing from the hall, where a door also opens into the kitchen/family dining room. The drawing room offers plenty of light and spacious open plan living space, featuring two fireplaces and a bay window to the front. Steps then lead up to the open plan kitchen, being well appointed with a modern range of units as well as a peninsular island. Integrated appliances including a multi ring gas hob, electric ovens, fridge/freezer and dishwasher, with space for an undercounter washing machine and tumble drier, plus the added comfort of underfloor heating. There is ample space for a dining table and seating, to extend the family living spaces, which is further enhanced by the tri-fold doors opening onto the extended patio and garden.

Onto the first floor landing, which benefits from light coming from a roof light. Doors then lead off to the four generous bedrooms and the family bathroom. Bedroom one has a window to the side, looking out over Wearyall Hill and a door into the en-suite shower room. Bedroom three also enjoys a similar westerly facing view over the hill, with bedrooms two and four both having front facing aspects. The family bathroom is well appointed, offering a walk-in shower enclosure, panelled bath, WC and wash hand basin. It is finished with tiles, imported from Italy to enhance that luxurious appearance.

Location

The property is situated within walking distance of the town centre with its good range of shops, restaurants, Inns, supermarkets, health centres etc. The historic town of Glastonbury is famous for its Tor and Abbey Ruins and is some 6 miles from the Cathedral City of Wells. The thriving centre of Street is 2 miles and offers more comprehensive facilities including both indoor and outdoor swimming pools, Strode Theatre and the complex of factory shopping outlets in Clarks Village. The nearest M5 motorway interchange at Dunball, Bridgwater (Junction 23) is 14 miles whilst Bristol, Bath, Taunton and Yeovil are all within commuting distance.

At the front, there is ample parking and turning space for at least four vehicles. A wide side access opens into the rear south facing garden, where a large patio area extends from the kitchen/family room. Steps then take you up to a large expanse of lawn, taking in views over the adjoining Wearyall Hill in the West.
