€32,500

Exceptional Quintuple Garage in Central Caudete – Ideal for Car Enthusiasts, Storage, or Workshop Use For sale in the heart of Caudete, this rare quintuple garage offers a versatile space perfect for classic car enthusiasts, general storage, or a workshop. Situated in a prime location, the garage is fully equipped with modern conveniences, including water and electricity, ensuring a comfortable and functional workspace. The standout feature is a fully fitted bathroom suite, making it convenient for longer projects or extended stays. The five spacious bays provide ample room for storing multiple vehicles or large items, with plenty of space left for working on classic cars or setting up a workshop. The secure, easily accessible location ensures peace of mind, while the modern utilities make it ready for immediate use.
